*Re: CC Docket No. 99-200; In the Matter of Dialpad Communications, Inc. Petition for Limited Waiver of Section 52.15(g)(2)(i) of the Commission's Rules Regarding Access to Numbering Resources*

Dear Ms. Dortch:

In connection with the pending *Petition for Limited Waiver of Section 52.15(g)(2)(i) of the Commission's Rules Regarding Access to Numbering Resources ("Petition")* of Dialpad Communications, Inc., a Delaware corporation ("Dialpad"), filed with the Commission on March 1, 2005, please note that the entire ownership of Dialpad has been transferred to Yahoo! Inc., a Delaware corporation ("Yahoo!"), pursuant to the terms of and subject to the conditions set forth in that certain merger agreement, dated June 13, 2005, among Dialpad, Yahoo! and the other parties signatory thereto (the "Merger Agreement"). In accordance with the Merger Agreement, on June 13, 2005, a wholly-owned subsidiary of Yahoo! ("Merger Sub") was merged with and into Dialpad whereupon the separate corporate existence of Merger Sub ceased and Dialpad continued as the surviving corporation under the name Yahoo! Communications, Inc., also a Delaware corporation.

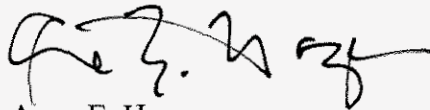

Requests: Given the above, we hereby request that:

- (1) the Petition continue to be processed expeditiously, as the above-described transfer of control does not change the company's substantive bases for requesting a numbering waiver;
- (2) the waiver be granted in the name of Yahoo! Communications, Inc.; and
- (3) going forward, all correspondence regarding this matter be directed to me at the contact details below.

Please do not hesitate to contact me if you have any questions or require additional information. Thank you for your assistance in this matter.

Sincerely,
